

# Using an Xbox™ or PlayStation™ games console to access Google Classroom

## Using the Xbox™ System:

1. Go into 'My Games and Apps'
2. Find Microsoft Edge  and select it
3. In the browser search bar, type in 'Google Classroom' and log in using your details as you normally would
4. You can then access your work through Google Classroom.

If you have a USB keyboard, and/or mouse, you can also use these devices to navigate around more easily.

## Using the PlayStation™ System:

1. Press the PlayStation logo on the controller
2. Scroll across and select the 'Library' option
3. Using the 'Search' box, type in 'internet browser'

The application symbol looks like this

4. Select it, and press 'Start'
5. In the browser search bar, type in 'Google Classroom' and log in using your details as you normally would
6. You can then access your work through Google Classroom.

If you have a USB keyboard, and/or mouse, you can also use these devices to navigate around more easily.

# Staying Safe Online

Whichever route you are using to access the internet, please ensure that you do all you can to keep yourself and others safe when doing so.

If you are looking for further information in relation to you keeping yourself and children or young people safe online, then the following organisations provide useful information, support and advice:

## NSPCC online safety:
